Your Bespoke Business Event.

Your Business Event Begins Here.

The Trout Hotel is a business like any other and there are times when business activities need to take place elsewhere. We know that whatever sector you are in, you need to plan your event so that it works for you.

That's why we don't offer the usual standard packages and insist on a format that may not work for you. Whilst time is precious and the commercial world around us continually changes, we can discuss your plans with discretion and put together an outstanding event that fits you and your organisation. What's more, we will make sure everything is on schedule and on budget.

As a guide, we charge for room hire and any catering needs you have in mind are invoiced accordingly.

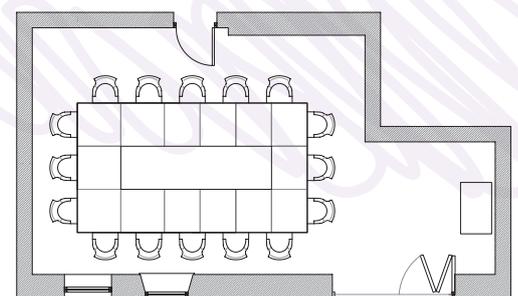

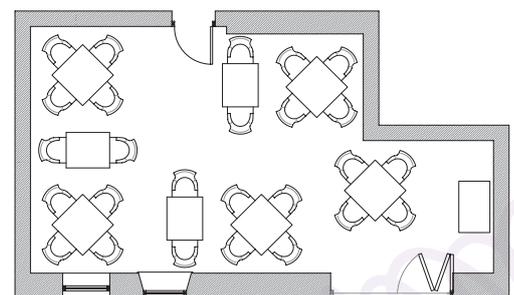

The Wordsworth Room.

Seating:

Theatre Style 26, Boardroom 16

An elegantly designed, self-contained room with private patio access and plenty of natural light.

The Wordsworth Room is versatile enough to use as an intimate private dining space or as a venue for board meetings, training days and presentations. With a capacity of 26 people seated, you can normally have this room throughout the day and evening or adjourn to it after the day's events for an informal gathering.

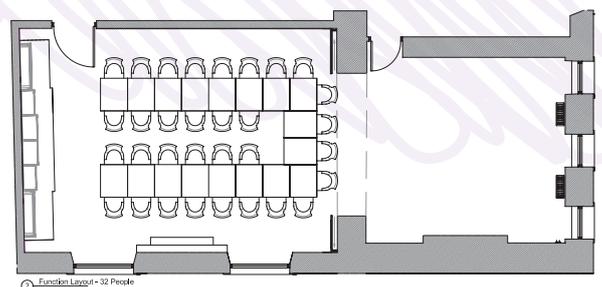

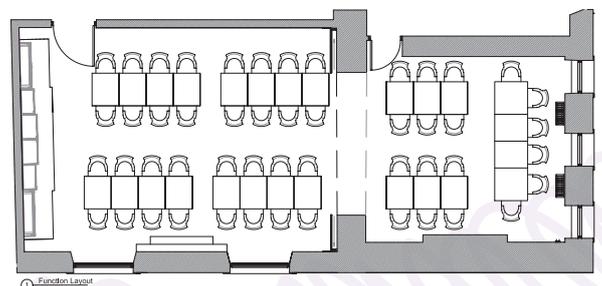

The Derwent Restaurant.

Seating:

Theatre Style 56, Boardroom 20,
U Shape 32

Depending upon the size and scope of your event, we can offer a variety of table plans and can go through your seating arrangements prior to making a final choice.

Whether it is a single table for an intimate dinner party or a more formal plan for larger functions, we can talk you through the options. Most importantly, we try to ensure your individual requirements are met. Complimentary printed seating plans are provided for display.

The Terrace Bistro and Bar.

Our Terrace Bistro and Bar is our more relaxed and informal business venue.

During the day it has a light, easy going ambience with lots of natural light flooding in through the large patio doors and floor to ceiling windows, it's the perfect place for the informal meeting over a coffee or lunch.

The Lakes Distillery Experience.

After a hard day at the office why not enjoy something a little different with a visit to the award-winning Lakes Distillery.

The hotel can arrange a taxi to take you the short drive to this award-winning visitor attraction. The Lakes Distillery is Cumbria's only distillery, producing the Lakes Gin, the Lakes Vodka and The ONE (a British Isles blended whisky) and what will become their signature spirit, the Lakes Malt (first bottle due in 2018). The Lakes Distillery is housed in a beautifully restored Victorian cattle farm.

Take The Lakes Distillery tour and see the handmade copper stills and learn the story behind the making of the whisky, gin and vodka and why the place they have chosen is so special.

You can then dine in the award-winning Bistro at the Distillery before returning to the hotel in your pre-booked taxi.

Group tours can be arranged with dinner in the bistro or their private boardroom. Please contact reception for further details.

The Gardens.

The Trout Hotel grounds offer you an oasis of tranquillity and is one of the few venues in the area that is set amongst its own award-winning gardens.

The riverside is a perfect backdrop for outdoor meetings. Enjoy a superb lunch al fresco during your appointment. Everyone will agree meeting and eating outside in the fresh air is always better.

Dining.

Whatever you need, whenever you need it.

We can have meal options and refreshments ready to be served either in the meeting room while you work, or in one of our stunning dining venues. You can start the day with our classic breakfast menu before your meeting begins then arrange your refreshment breaks according to your schedule for the day.

Main meals can be suited to the style of event you are having whether that's a private à la carte dinner to impress clients or simply just a casual lunch with colleagues before heading back to the office. We can provide you with menu options prior to your event.
